

Mitsubishi Electric Corporation 2015 TV Advertisement

16 March 2015

Mitsubishi Electric Corporation just launched its latest TV advertisement for the Asia region. As a leading global manufacturing company, Mitsubishi Electric continues to develop and sell its products across the globe, including in Asia.

Mitsubishi Electric products—ranging from household equipment and industrial/factory automation to lifts and escalators—have been launched and used in Asian cities including Tokyo, Ho Chi Minh City, Singapore and Jakarta.

Mitsubishi Electric continues its commitment to always create and develop the best products for a better life.
